

North Texas Shawnee Trail

Brush Poppin' Trace

February 20-22, 2026

The Shawnee Trail Chapter of FCF will host their annual camping event at Lakeview Camp February 20-22. The theme for this year's Brush Poppin' Trace is VICTORIES ALONG THE SHAWNEE TRAIL based on the second chapter of the book of Deuteronomy.

Based upon this theme, all attendees are asked to come to camp equipped with a personal testimony of a victory experienced through the mighty work of Jesus Christ our Lord and Savior.

Camp starts Friday night with the evening Council Fire Service, continues Saturday with competition trails, and will conclude Sunday morning with communion service.

Competition trails will include knife and hawk throwing, archery, black powder rifle and flint and steel fire making.

The following needs to be completed before you can attend.

1. Online Registration is available at <https://brushfire.com/northtexas/RR/622326>.
2. Cost will be \$40 per person.
3. All campers (18 and older) will need to have completed a background check and a sex abuse awareness training. If yours is not current, you will get an email before the event to complete both.
4. Registration deadline is February 13th. No at camp registration.

So prepare your testimony, load up all your gear, and come out to Brush Poppin' Trace to enjoy fellowship around the fire with your fellow Christian brothers.

I look forward to seeing everybody out at camp.

May God bless you and your families in all your endeavors.

In Christ's love,

Frank "JawBone" Super

Shawnee Trail FCF Coordinator
