Shawnee Trail Chapter FCF

So, you want to be a Frontiersman?

Thinking about joining the Frontiersmen Camping Fellowship?

FCF is a special program of Royal Rangers that provides boys and men with additional opportunities to develop specialized outdoor skills based on the lore and traditions of the early American Frontiersman.

As an FCF member, you will live the wilderness experience, the color and lore of the early frontiersman. The outfits and accouterments are an exciting part of our brotherhood.

The early American frontiersman exemplified the spirit of adventure and courage. Members of the FCF are challenged to demonstrate the same attributes personified by those early frontiersmen.

Come and join the ongoing adventure that is FCF!
